

Placement Notification | MBA Finance*

Dated :6th October,2026

Dear Students,

We are pleased to inform you that *Outpost.Work LLP* is recruiting *Junior Financial Analyst*.

About the Company

Outpost is a company run by finance professionals to provide financial services on a global workspace. We harbor 'best of the breed' talent & 'State of Art' harboring with established accounting processes, catering to financial necessities for timely, pinpoint, and relevant financial information, creating values with quality standards & performance-driven operational methods.

It's a bridge to reach out to Global Accountants, envisaging the concept of partnering with overseas accounting fraternity.

We connect through a virtual process flow and a solid understanding of the principal application software like QuickBooks, Zoho, Xero, Tally, and others and an 'open architecture' of integrating Outpost' expertise with global accounting need.
